City of Newberg

Invitation to Bid for 2022 Hess Creek Trunk Line

Bids Due on Wednesday, June 29th, 2022 at 2:00 pm, local time (Bid Closing)

The City of Newberg (the "City") is soliciting bids for 2022 Hess Creek Trunk Line Project ("Project").

The primary task under this contract is to complete hydro jetting and CCTV inspection of the southern section of the Hess Creek trunk line between OR99W and the WWTP on Wynooski Road. A redundant pumping system consisting of a primary pump and standby pump will be required during the operation.

Bypass pumping that move flows from the Hess Creek trunk line to the River Street trunk line will be required to allow for the CCTV inspection and hydro jetting. All work shall be fully completed by October 1st, 2022.

The proposed work consists of CCTV inspection and hydro jetting of 6,530 feet of wastewater mainline in length, is comprised of approximately 27-manholes, with pipe sizes varying from 15-30 inches. The longest pipe length between manholes is approximately 500-feet.

Complete bid documents can be obtained at <https://bids.newbergoregon.gov/> and viewed at Newberg City Hall, 414 E. First Street, Newberg, Oregon 97132. Bids must be delivered to the following office no later than the date and time noted above:

City of Newberg, City Hall
Attention: Fatin Abdullah Project Manager 503.554.7786
414 E. First Street
Newberg, OR 97132

Bids will be publicly opened at the above-noted location immediately following Bid Closing. Late bids will not be considered.

The contract awarded under this invitation to bid is subject to the payment of current BOLI prevailing wages for Region 3 under ORS 279C.800 to 279C.870.

See: <https://www.oregon.gov/boli/employers/Pages/prevailing-wage-rates.aspx>.

Prequalification of bidders is required. Bidders must be prequalified to perform work in the following classes: asphalt paving and oiling, wastewater construction (piping and manholes), aggregate base, temporary traffic control, concrete flatwork, along with any subcontractors performing these work items. Each bidder is required to submit a completed Contractor's Prequalification Application Form that can be found at <https://www.newbergoregon.gov/engineering/page/contractors-prequalification-application-form>. Applications for prequalification must be filed at the address listed in this notice for delivery of bids or via email at Engineering@newbergoregon.gov no later than June 17, 2022 at 4:00 pm local time.

No prebid meeting is scheduled for this project. All bidders shall submit their last questions through the same bid management website no later than 2:00 PM on June 20, 2022 so that a Bid Addendum may be issued if needed without altering the bid date.

Published: June 10, 2022 in the Oregon DJC and posted on City's Bid Management website.
